The Nevada Society of CPAs understands the stress and uncertainty candidates feel when taking the CPA exam for the first time. The exam testing center, Prometric, offers test-takers an opportunity to “test drive” the testing environment before sitting for the first exam. Visit <https://www.prometric.com/test-drive/> for more information. NVCPA encourages candidates to take advantage of this opportunity and will provide a reimbursement scholarship to any person who takes the test drive. The following conditions apply:

- Applicant must be a resident of Nevada.
- Applicant must provide a Prometric Score Report with application.
- Applicant must have taken the test-drive during the prescribed period.
- Scholarship amount is up to \$35.

If any of the following have occurred, applicant is not qualified to apply:

- Applicant sat for any section of the exam prior to the test drive.
- Applicant did not complete the entire test drive.

Applications will be accepted twice each year; January 31 and July 31. Scholarships will be awarded within 60 days of submission deadlines.

NVCPA may contact applicant for further information.

Applications will be reviewed by the Board of Directors of the Nevada Society of CPAs for consideration
